

Juneau County Fair Market Animal Project Record

All 4-H & FFA exhibitors will attend an educational program and complete a project record for each species to be shown at the fair to be eligible to sell in the auction.

Name _____ Age (Jan 1.) _____

Project Species (Beef, sheep, swine, goats, rabbits, & poultry) _____

Instructions: All individuals wishing to sell an animal in the Juneau County Fair market livestock sale must complete this project form and turn it in at the weigh in/check in by the time the scale is closed. You should complete a separate record for each species that you bring to the Fair. It is important to keep good records throughout your project so that everything is on the record, except the final weight of the animal. If you have difficulty completing some parts of the record, ask your parents or project leader to help you.
